Showcasing two service clubs in your community...

Lions and Rotary are two highly respected service clubs that make important contributions to the Willunga District. Both have worked consistently for many years with their bands of volunteers to make our community a better place.

Lions...

The Lions Club of Willunga and Districts established 11th August, 1969, is committed to assisting others by establishing necessary facilities and services to benefit your local community.

In June 2007, the Lions Club of Willunga and Districts donated some \$40,000 to various charities around South Australia and locally. This was due mostly to the support given by the local community.

Not only are the monies raised donated 100% to needy causes around the local area but nationally when great need arises, e.g. the Tsunami appeal and the Eyre Peninsula Bush fire appeal to name two recent events.

Monthly Auction...

Each month on the last Saturday, Willunga Lions hold their big Auction at the Saleyards, Binney Road, Willunga. This is one of our biggest fund raisers and is extremely popular. In August each year, the Lions hold an annual 'Swap meet' for the car enthusiasts to pick up those unusual 'spares' for rebuilding that old Holden or even older Ford.

An excellent canteen, run by the Ladies Auxiliary is available for hot and cold drinks, food etc on each Auction Day. So come along and pick up a bargain. (continued Page 6)

Rotary...

Named the McLaren Vale Rotary Club and serving the McLaren Vale, Willunga and Aldinga area, your local

Rotary is a service club.

Rotary has donated several thousands of dollars to your local community over recent years. It is involved in road clean-ups, looking after some of your parks and caring for your community.

Youth projects have been its emphasis in recent years, including sponsoring local young people in leadership training.

Fundraising is fun...

Much of Rotary's fund raising centres around its barbecue trailer and great fun has been had in providing cooked sausages at a number of recent council sponsored events. Rotary's biggest cook-up is the Australia Day Breakfast, which they have been involved in for the last 22 years at Willunga. They will be doing it again in 2008.

Look for Rotary in High Street, Willunga as they provide steak sandwiches during the Tour Down Under. Another successful venture was their Monster Garage Sale in Willunga where they raised \$900. Rotary hopes to have another garage sale in 2008. (continued Page 6)

"Vines to Mines" Fun Run & Fun Walk...

A Grand Success. Thankyou to everyone who participated in our first "Vines to Mines" Fun Run and Fun Walk as part of the Willunga Walking Festival on Saturday 13th October. The morning was lovely, the scenery beautiful and the smiles were wonderful. We had over 90 participants - and one dog.

Cameron Clark was the first home in a time of 25min and 30 secs. Mary Goodieson was our first female home. Everyone seemed to enjoy themselves and there were some very proud people as they crossed the finish line. Prizes were much appreciated by those lucky enough to win them - thankyou to our local sponsors: Fox Creek Wines, Tall Poppy, the Green Room, Office and Image, Fino, Funky Finds and Hank of Hair. Thanks to all our marshals and those who helped at the start and the finish. We raised \$584 dollars for the Multiple Sclerosis Society. See you again next year. Mike Pacillo.

Willunga Quarry Market Inc...

Willunga Recreation Park grounds, Aldinga & Main Rds.

If you haven't already thought about Christmas shopping why not visit the Willunga Quarry Market on Saturday 10 November from 9am to 1pm, where you are bound to be inspired by the quality of gift items for sale. Discover the diversity of the hand made products, many of which are rarely found in Adelaide's ordinary shopping precincts. Enjoy chatting with the friendly traders who are pleased to serve you.

Returning soon to the Market after a long absence, 'billy moon' individually hand made designer buttons, which are colourful and the motives fun, resulting in a decorative sewing or knitting accessory. A button hole isn't a requirement to be inspired to use these

gems as they could be used to brighten up plain coloured cushions and would be a delightful gift for a button collector.

Look out for water wise pelargonium's, choose herb and vegetable seedlings for the kitchen garden and don't forget to purchase a tomato plant or two. Indulge the taste senses in an organic coffee, a donut, a savoury or sweet pancake or try a locally made sausage, cooked and served by volunteers, in aid of supporting chaplains in local schools.

Visiting Willunga on a market morning is a very pleasurable experience for the whole family. When you have placed your purchases in your car please consider taking a discovery tour of Willunga's past. The Willunga Quarry Market offers free passes to the Old Willunga Courthouse and Slate Museums. Passes are available from our Information Tent, just ask.

Tour Down Under 2008 will be promoted at the same location for the next few markets. We are seeking insured stallholders for the Tour Down Under Market to be held at the same location on 26 January 2008.

Chalkfest was a great success!

The First Place winner of the debut Willunga Chalkfest Amateur Short Film Competition was awarded to Damien Bilyk, 24, of Christie Downs who created the 6 minute film entitled "Life Cycle".

Nominated as the first place winner by a panel of resident industry judges, "Life Cycle" seemed to be the beginning to a much larger film in the same vein as Dawn of the Dead or the Resident Evil series. The character from the film is seen to have flashbacks to the day before when he was attacked by a man washed up on the shore. As they fight the main character is bitten by his foe and infected with a virus and we are left to wonder what happens from there.

The effects were very well executed by this young filmmaker despite the slightly gratuitous violence. However, this seems to be a common theme among filmmakers from the south as guest speaker and resident judge Richard Coburn pointed out, half of the

The Hill Top Hoods and the local young band 'Basic Alliez' who played in the interval. From left to right... Jeff Curtis, Scott Jesse, Matt Lambert (MC Suffa), Barry Francis (DJ Debr), Aidan Steimanis.

films he was asked to choose between were horror flicks or at least borrowed elements from the horror genre.

Second Place was a film called 'The Dummy' directed by Dean Bennett and Third Place was 'Just Another Bubbly Day' directed by Klayton Stainer, a young person who attends Willunga High School.

The six finalists were judged on the overall filmmaking qualities and techniques used in their films and the judges made it clear that it was very difficult to choose any one over the others.

We had local artist Kylie Kain play at the beginning of the night and local boys from Willunga High School 'Basic Alliez'

which is a hip hop band play in the interval.

It was impressive to see so many people supporting local artists as the show came very close to selling out. It was also very humbling to see big name hip hop group The Hilltop Hoods come to Willunga and talk about their experiences making film clips for their music.

The audience was very receptive to all the films and guest speakers throughout the night and overall, the show had a good friendly atmosphere and was a great success.

It seems likely that the event will happen again next year, however the organising committee have expressed that it would be great to see the community playing a larger role in the future. They will be looking for sponsorship from local business to run the show next year and they are always after more committee members with or without filmmaking experience.

Volunteers needed for Tour Down Under...

Plans are well underway for dressing up the township of Willunga for the 10th Tour Down Under in January, 2008. The Tour Down Under committee have been working on some exciting new plans for this occasion, but we will need extra help as we get nearer to the race day. Volunteers can contact Judy or Brian at any time to offer assistance.

Contact: Judy & Brian Visser 08 8556 4292.

Willunga National Trust...

The Courthouse Book Sale held in October was very well supported. Many thanks to all who contributed. Over \$1000 was raised towards the cost of extensions at the Slate Museum including an audio feature. Another book sale is planned next year, so donations of books are still welcome (contact Faye on 8323 7513).

The conservation of the old Courthouse building is ongoing. Recently the City of Onkaparinga arranged for the wall of the front veranda to be underpinned and stabilised. Visitors who have commented on the "leaning wall of Willunga" will be interested that this work has been completed, thanks to Council. The Slate Museum and the Courthouse Museum are open 1 - 5 pm on Sat, Sun and Public holidays and 11am - 4 pm on Tuesday. Group visits have kept the warden and volunteers busy recently, while members have begun preparing items for the extended slate museum display.

Tour Down Under...

Your Chairperson Howard Salkow writes...

The Tour Down Under could not have asked for a more fitting 10th Anniversary gift when it was granted ProTour status by the

Professional Cycling Council in Germany in September. What this means is that the ProTour will bring more teams and the world's best cyclists to South Australia. We can also expect more tourists to visit our towns during the various stages, and a far greater television audience across the world who will be exposed to our towns and stunning countryside...

Our City of Onkaparinga Mayor Lorraine Rosenberg said "With the Protour status kicking in next year, we'll witness additional media coverage and tourists coming to the State and the various towns. What this will mean in the long-term, is that towns not previously involved, will now bid for a stage of the Tour. And this will therefore place enormous pressure on towns such as Willunga to maintain its high standard. Willunga, for example, has proven to be the most successful town since the Tour's inception, in terms of supporting the event and winning numerous awards. Its most recent accolade was being inducted into the TDU Hall of Fame, something others will be keen to emulate. Based on these expectations, a dedicated full-time person may be required to stage manage a town's involvement with preparations starting a lot earlier than the current situation," said Mayor Rosenberg.

Howard goes onto say... "As Willunga readies itself for the Fifth stage on 26th January, the 2008 TDU Willunga Committee is cognisant that a mediocre product will simply not cut it. We realise there is tremendous pressure, and based on our past successes everyone is eager to see what we come up with this time. Over the next few weeks we will be encouraging residences and businesses to compete in the Best Dressed competitions, and show why Willunga became the first town to be inducted into the TDU Hall of Fame. More importantly, we have to think beyond 2008 and strive to ensure that everyone understands the magnitude of this event. The world will be watching and we need to perform", he said. Howard encourages the townsfolk to wear green and gold on the day, the Fifth Stage on Australia Day, Saturday 26th January, 2008. Stay tuned as the countdown begins to the 10th Anniversary, if you wish to be involved as a volunteer please call Howard on 0433 738 211

Stay tuned as the countdown begins to the 10th Anniversary of the TDU, and if you have any questions, or wish to be involved as a volunteer, Howard would love to hear from you—He can be contacted on 08 8556 1172 or mobile 0433 738 211.

Rotary began in 1905 in Chicago for friends and fellowship, community service and business development.

"The early practice of rotation meetings among members' offices gave Rotary its name. Rotary now has 1.2 million members in over 32,000 clubs in over 200 countries."

This year's Rotary theme is Lead the Way, and Rotary has been working with the World Health Organisation to eradicate Polio around the world and now only three countries remain with regular cases of Polio. This successful programme is called Polio Plus.

Rotary in Australia has set up Australian Rotary Health Research Fund. It includes indigenous health and scholarships, mental health awareness, Bowelscan campaign, rural medical and nursing scholarships, Kidsmatter, road transport research and more. See www.arhrf.org.au

Willunga... a little bit of history from the 60's

New Southern Railway Plan...

A new railway along the coast to serve the residential areas immediately south of Adelaide was being considered, the Minister of Roads and Transport (Mr. Hill) said yesterday. He was commenting on a letter in The Advertiser yesterday, from Mr. I.J. McInerney, of Hackham, who advocated resuming passenger train services on the Willunga line. Mr. Hill said there had been no passenger service on the Willunga line for years and only one goods train a week now ran.

The Government planned to close the Willunga line and build a new railway along the coasts to Christies Downs, when the bulk of the residential expansion had taken place. A line on this route could expect worthwhile patronage, but the present line could not, Mr. Hill said.

Closing of the Willunga line would eliminate level crossing at Hackham, McLaren Vale and Willunga or the Main South Road, he said. The Advertiser October 3, 1968.

Pebbles...

From the foreshore at Sellicks Beach the pebbles have earned royalties or the Willunga District Council. Seven tons have been taken for use at the new Walkerville headquarters of the Highways Department. But councillors are keeping calm about it as the royalties amount only to 1/- a ton., and the demand for the pebbles is light these days. At one time they were shipped to as far away as Queensland for use in industry as a grinding material in ore mills.

Pebbles were later replaced by stainless steel balls, and trade declined both at Sellicks Beach and Port MacDonnell another source.

The Highways Department wanted the pebbles for ornamental use. They will be set in concrete to form the base of a fountain that will stand in front of the new building. April 25, 1964.

Over 10 years of 3-course lunches & teas from the Netball Caterers through the Willunga Almond Blossom Festival Week.

Museum for Willunga?

One of the oldest buildings in Willunga, Buckland House, may be used as a museum to house relics of the town's early history. The idea has been put forward by former Willunga resident, Mr. M.B. Dunstan, who is now the Clerk of the Peake District Council. He feels that if the proposal were put before the Willunga District Council, it would receive serious consideration.

Mr. Dunstan who was born in the town and lived there until about four years ago, said many residents had old photographs and relics which they would give if a person were appointed to look after them.

He went onto say "There would be very few towns in South Australia with a longer and richer history than Willunga. If something is not done soon, they will lose these historical items".

Since Willunga had one of the longest histories of any town in the State, many residents shared the view that it would be pleasing to see a museum established to save the relics.

Southern Times May 28 1964.

Grant for InaNutshell and NEW Website...

Andrew and Rilda Offe receiving \$2550 cheque from Mayor Lorraine Rosenberg (thanks Lorraine for your time and support) for upgrades for the InaNutshell and Willunga website. This will include computer software and web site programming and design. As the grant will cover about half the amount needed, we will see how far we can stretch it.

WillungaFestivals.com is being expanded to include commerce, community groups, schools, churches, sporting bodies etc rather than just tourism (events, accommodation, restaurants etc) as originally set up. Your group or business can be showcased to the community, the region and to the world through the world wide web. **This is great news for Willunga!**

Thankyou to Willunga Recreation Park for supporting this venture. Andrew & Rilda Offe.

Jayne Jansen and Sheryl Thomsen from the Bank SA with two of the six reams of paper the Bank donated for the printing of the InaNutshell.

Willunga Recreation Park Mtg Snippets Sep

Strategic Planning... Decided to hold 3hr workshop on Tue 23rd October 6.30pm to 10pm.

Replacement of cisterns... To be deferred till next year grant round.

Approval of council grant... of \$2550 for the In-a-Nut-shell and new Willunga website which is under the auspices of WRPI.

Leadership Onkaparinga 2008... a free programme seen as a pathway to accredited studies in community and business services. Contact officer Susan Smalldon 83840038.

New OACNET Coordinator.. Marzena Clarke. Council contact (not nominee) Yvonne Wenham 0439683078 / 85578735.

2007 Almond Blossom Report... The profit this year was double that of the previous year \$10,615 despite the numbers on the Sunday being down. It was pointed out that setting up road closures should be done by accredited persons.

Playback Willunga... is it necessary to go through WRPI for an arts grant for the next festival.

Peter Thornton Fleurieu Folk Festival... Keen for volunteer help over the weekend. Contact CFS re using flood light. Bond of \$500 & own insurance. A heritage walk will be incorporated in the programme. Cost for football clubrooms \$650 but WRPI will meet \$150 of this. Cost of change-rooms to be cost of gas bottles used and need to clean up. ABC radio will be broadcasting from the festival on the Friday night.

Move-it... Now 3 walking groups walking 3 times a week. Circle dancing starts next month.

Football... A and B grade premiers with under 17's runners up. A most pleasing result with B grade having a very young team and only 1 recruit for the year for the A grade.

Basketball... Application for Active club grant received half the amount sought. \$2500 will be spent on engaging local district basketballers visiting 5 primary schools in the area to run coaching clinics over 2 months.

Cricket... Practice being held on Thursdays. Need recruits for under 12 in particular.

Grounds... 250 tons of sand to be spread on oval. Graffiti and other damage to grandstand/canteen

roof on Saturday 15th September.

Netball... 3 teams won grand finals u/13's, B grade and u/19's. Lines will need to be re-done.

Tennis... A new boys team is playing on Friday nights. No adult teams playing Saturday afternoons.

Table Tennis... One embarrassing double booking occurred which meant table tennis was cancelled much to their disappointment.

Chess... Thursdays 7pm plodding on.

Primary School... Schools now have a grounds committee.

Maintenance... Purchase a ladder. Need to rethink fence next to dentist to comply with Licence conditions to have outward swinging gate for fire safety reasons. Seats in grandstand need repainting.

Skate Park... The 3 sites being considered have not found favour and prospects look grim. Public meeting in November to gauge opinion.

Corella problem... Chris Button from the council attended to talk about the proposed strategy to deal with the Corella problem this coming summer.

Recreation Park to take on a sub committee role under its incorporation to facilitate local volunteers who would be issued equipment and training to assist with moving congregations of birds on. This process worked very well last year and another success this year is hoped.

Grant programmes... Active sports programme & recycling water.

Clubs sub-letting... It was accepted that the Sports & Social Club had the right to charge for use of its premises. It was suggested that the strategic planning workshop or other meeting look closer at the 'sub-letting' process by clubs to ensure a clear understanding and a fair and appropriate process is adopted.

Football Club Proposal... to erect a 5m x 5m structure where the mobile refreshments van is placed during football matches. Includes a 2m verandah. Need to be cricket ball resistant. Useful for protection against the weather.

Trevor Desmond... said he would not be standing for president at the forthcoming AGM after 15 yrs involvement with WRPI.
