#### Willunga Football club

The Willunga Football Club was formed on 29 May 1874 at a General Meeting held at the home of Mr Henry Mudge. It was decided that the club would play to the Adelaide Club rules and membership subscription was set at two shillings and sixpence per annum (25cents/year).

Willunga Football Club chose a blue skull cap for the first year then changed to red and white.

In order to be able to play home games the Willunga Recreation Ground of eight acres was

purchased from Mrs W Pethick for 48 pounds (96 dollars) in 1876 by the Willunga Institute.

Thus the Willunga Football Club had a home and started its celebrated history.

Willunga Football Club is officially recognised by the SANFL as the second oldest, continuously operating club in South Australia, second to Port Adelaide Magpies.

Over its 134 year history many young players have gone on to the major leagues with numerous awards both state and local being won.

Over the past ten years the Willunga Football Club has worked tirelessly to develop well

### Tag Rugby after school...

Mr. Bignell (Mawson MP) addressed the House of Representatives on Tuesday April 8, 2008 about Physical Fitness in schools and in particular the programme that has been successful in the Willunga region for the past five years. The Willunga High School on a Friday afternoon in Term One or Four, has 300 students from schools in the area playing tag rugby league. It started five years ago with just 20 students going for a game after school and now includes schools from Seaford and Morphett Vale in this competition. Now there are 28 teams, spread across three divisions; Years 8 & 9 are the top division. We see students from Tatchilla, Aldinga and Seaford, and of course, from Willunga Primary School, Willunga High School and McLaren Vale.

Tag Rugby has grown beyond initiator Paul Crate's expectations. Paul is the physical education teacher at Willunga Primary School. It is now a very social as well as sporting occasion in the local region and includes parents and barbeque.

The League has grown well without government money. Students are charged \$20 for a season. Tag Rugby is a sport that suits a range of levels of physical fitness and levels of ability. With childhood obesity (*and depression-editor*) people concerned have done a good job of getting kids out there participating in sport.

The other advantage is that it is not just for those who are playing the game. So far, 30 high school students have been trained to be referees. More than 50 people, parents and high school students have been trained as coaches over the past five years, as well.

Thanks to Chum Reed, who is in charge of first aid, and to other people in the local community, who give up their Friday afternoons not only to help out the current crop of students who are playing the game but also to ensure that this competition grows year by year. Willunga Primary School is the current champion in the women's rugby tag and also the boys' rugby tag. Congratulations to both these teams as they have been state champions for the past two seasons in a row.

Marty Prichard, who has been involved in the coaching and Dave Cohen, who has been instrumental in setting up competitions around the state have both done a great job.

Contact: Paul Crate 08 8323 9253 or 0421 327 443.

### Anglican Report of Schools Ministry...

The Anglican Pastoral District of the Southern Vales continues to support the Southern Vales Schools Ministry (SVSM). Trish Frith and Ted Sandercock represent the Pastoral District at the SVSM for 2008.

The SVSM supports the work of Christian Pastoral Support Workers (formerly School Chaplains) in three ways, spiritually, professionally and financially.

Three CPSW appointments are funded by the Education Department, through the respective schools and the SVSM; and the three more recent appointments are fully funded by the Federal government. There is funding for two additional appointments. The SVSM had budgeted for \$22,500 to meet its commitments for 2008.

The CPSW appointments are:- Aldinga Primary - Leanne Smith; McLaren Vale Primary - Cherie Love; McLaren Flat Primary - Marie Cester; Willunga Primary - Sue Camac; Willunga High School - Nick Woodley and Amanda Johnson.

Two male CPSW appointments are still to be made to Aldinga Primary and McLaren Vale Primary Schools. The focus of this support is mentoring for your boys; lunchtime programmes with a focus on boys; leadership development and the formation of student action teams.

CPSW appointees have made their mark in schools by providing class room support, tailored programmes such as lunchtime cooking classes, grief and loss training and building up a families network.

SVSM has also invited school chaplains at Tatchilla Lutheran School, SV Christian School and Myponga Christian School to join with the CPSW group for professional, spiritual and social activities.

Our Pastoral District congregations can support the SVSM by: Contributing gold coins on the first Sunday of the month; Attending the SVSM film evening on June 18 at Noarlunga; Assisting with the sausage sizzle at the Quarry Market (our responsibility on the 2nd Saturday in September and October and also by buying a sausage and onions any time!); Assisting with the Monday morning breakfasts (8-9 am) Willunga High School. (If you can help on the roster contact Trish 08 8556 2640 or Ted 08 8556 4535 - age no barrier!).

Newsletter No. 9

May 2008

## A message from your President...

The Willunga Business and Tourism Association needs to recruit two key positions following the secretary's retirement and a promotion and re-location for the treasurer.

After providing considerable time to the community, Ms Lois Koppen is retiring to Victor Harbor, while ANZ Willunga manager Ray Martin has been promoted to the larger branch in Victor Harbor.

These moves leave a void and need to be filled as quickly as possible and we would like to hear from any interested members, or potential new members.

Both Lois and Ray have served the WBTA with distinction and are thanked for what they have done. The WBTA wishes both the very best in their future endeavours. Management Committee are arranging a social gathering to enable our members and associates to say "Farewell" to Lois and Ray. Please see invitation on page 8.

In a new initiative where local associations provide activity updates to the WBTA management committee, Cheri George, co-ordinator of the 2008 Almond Blossom Festival, addressed the April meeting and provided a provisional programme.

Extra events being organised so far: Community Art Projects; creating costumes and creatures for the parade; Gospel Singing Workshops; Almond Blossom walks; Exhibition by Willunga Hills Art Group; Glen Howlett Glass Blowing exhibitions at Willunga Glass Studio and Impro Now!; school workshops; performances during the festival.

This year's festival is laden with a number of exciting initiatives and Cheri is hoping through appropriate marketing, to attract large numbers and gain support from Willunga residents...

The WBTA has endorsed an idea by Mayor Lorraine Rosenberg to establish a Business Advisory Council, which can respond to Council decisions and provide proactive contact on a regular basis. We will have representation at her first meeting being held in the first week of May. Further to the issue of signage and potential changes, we have been advised by the City that business associations will be consulted to review this issue. The WBTA looks forward to this consultation at a date yet to be announced.

## Willunga says "Farewell" to Ray Martin...

Transferred from Northern Territory as Manager ANZ Willunga March 1998, Ray with his wife and family took up residence in Willunga and immediately began to work for the community.

Willunga Business & Tourism Assoc. have greatly benefited from his expertise, his guidance and advise with the finances for Tour Down Under and the Walking Festivals, making sure our Insurance covers were in order, were some of the many tasks he was involved in.

Apart from the above Ray was involved in the following voluntary roles...

Treasurer Willunga Golf Club 1999-2004  
Council Member Willunga Primary School 2004-2005

Financial Auditor Willunga Golf Club 2005-2008  
Ray has been transferred to the position of Manager ANZ Victor Harbor and will commence his role during May 2008.

Ray wishes to dispel the rumour that he is transferring to Victor Harbor to handle Lois's financial affairs.

### POSITIONS VACANT...

Connoisseurs of fine Italian food know that gnocchi is a small dumpling. In fact, the word gnocchi in Italian means "lump". Gnocchi is most often made with potatoes, though it can also be made from flour, squash, cheese or even polenta. Gnocchi is served much in the same manner as pasta, with sauce or some butter and sage or parmesan cheese. Gnocchi recipes date back to the twelfth century and are most common in the Northern regions of Italy.

"Canederli" (gnocchi di pane) Andy's gorgeous bread with pieces of lightly smoked ham, cheese and fresh herbs served in a light beef brodo—magic and warming.

Be tempted from Platters of...

"Gnocchi con sepi" exquisitely light handcrafted potato gnocchi with a rich sugo of local cuttlefish, rosé and tomato;

"Gnocchi alla romana" semolina with fused butter and fresh Andy's breadcrumbs;

"Malfatti" spinach and ricotta gnocchi with homegrown Napolitano sauce

...consumed with Andy's delicious crusty bread and Minko Pinot Noir and Minko Pinot Grigio, an Italian style wine made from Pinot Gris grapes which matches these dishes perfectly.

Finally Minko Sparkling Merlot will be served with "Cannoli alla Siciliana" handmade delicate crust filled with a medley of light ricotta, chocolate, and candied citrus

and of course Sonia's famous Apple Strudel— handmade and stretched fine pastry filled with apples, sultanas and cinnamon tea, coffee and lots of Italian hospitality.

WBTA congratulates Minko Wines on their fine products and appreciates their promotion of our Willunga District. **If you have a special promotion of your business please send us an article.**

# Willunga Veterinary Services Open Day

Sunday May 25, 1-4pm.

Willunga Veterinary Services has been in operation for over 35 years. It was opened by Dr David Gill in 1970 and had humble beginnings at the Old Methodist Church (now Christina's on High Street). The veterinary practice serviced Willunga and surrounding districts. From the High Street, Willunga Vets moved to premises on the McLaren Vale Road prior to building our current veterinary hospital in December 1999. Things have changed dramatically since the early days.

We now have 6 full time vets and 9 nurses and receptionists. We care for all types of pets – dogs, cats, birds and

pocket pets such as rabbits and guinea pigs. We also care for farm animals that include dairy and beef cows, sheep, goats and alpacas, as well as native animals. Our farm vets travel out to farms from McLaren Vale to Cape Jervis. We provide a 24 hour, seven days a week emergency service for all our clients.

Willunga Vets provide complete pet care including consultations, vaccinations,

surgery, radiology, ultrasound, and dentistry. We run "puppy classes" regularly and have behaviour consultations. We have our own laboratory facilities that can do wide range of blood, urine and microbiology tests. A wide range of surgery is per-

formed on a regular basis. These range from de-sexings (speys and castrations), cruciate ligament repairs, selected orthopaedic surgery and cancer surgery.

With our large X-ray machine we can x-ray all sorts of animals and all sorts of body parts – everything from calves with broken legs to birds with broken wings. We use an ultrasound machine for pregnancy diagnosis as well as assessing abdominal organs and cancers.

Pet dentistry is an important and ever-increasing field of veterinary treatment. Many of our pets have dental disease. Loose teeth and inflamed gums cause significant chronic pain. Teeth are cleaned using a modern ultrasonic scaling unit, usu-

ally followed by fluoride polishing. More advanced dental treatments, such as extractions, are also available.

## Willunga Veterinary Hospital Open Day... Sunday, May 25, 1-4pm

On SUNDAY 25th of MAY between 1 and 4 pm we are opening our clinic for an afternoon of displays, demonstrations and hospital tours.

It is our way of saying thankyou to all of our loyal clients, and to encourage prospective new clients to view our hospital facility and see what we have to offer. EVERYONE is welcome and there will be something for all the family.

Lots of FREE giveaways, FREE Giant

Raffle with lots and lots of prizes, FREE sausage sizzle, colouring competition, trade displays, demonstrations and hospital tours. Come and see the parts of the hospital that are normally "off limits" – the surgical theatre, our X-ray facility, dental unit and accommodation areas.

So invite your friends and relatives, as everyone is welcome. We look forward to seeing you between 1 and 4pm on SUNDAY 25th of MAY.

## Football continued...

As with all clubs, Willunga Football Club is often externally judged by the record of its most senior A Grade team. In the past decade the Willunga A Grade has won five of eight contested grand finals (four consecutively from 2004 to 2007). Up to ninety per cent of the A Grade team members played their Junior Football at Willunga presenting an impressive record of local talent.

Current Willunga Football Club players, members, coordinators and coaches acknowledge the importance of further developing the club within the local community. It is recognized that hard work and commitment at a Junior level will frequently lead to success in the Senior grades but the future of the club needs to be secure to enable this to continue.

### Here's how you can play...

Training is Tuesdays and Thursdays at 4:30pm for junior and senior colts and 5ish for "A" grade and reserves. For mini and micro colts the training is at 4:00 pm on Thursday only. Auskick, which started on 4th May for juniors, is Sundays at 9:30 am.

Come along and join in. Keep fit and make new friends.

**Bushfire Benefit Concert...**

Firstly, thankyou so much to everyone who helped out. The Benefit Concert turned out to be a fantastic night. Natasha Luke, an amazing singer began the afternoon, followed by Lee Marshall, a musician from Nangkita. Lee also told the story of losing his house in the tragic Ash Wednesday bushfires. Quentin Ayres then joined Lee. Dave Clark and Kathy Townsend

Lee Marshall and Quentin Ayres

played as Rum and Raspberry. Thankyou both so much for allowing us to use The Singing Gallery as a venue.

In between the music change over, MC Don Chapman was in charge of the raffles. Fiona Hope was thrilled after winning a 76 strata guitar, donated by DJ Mark. Chris Finnen followed with his incredible solo guitar tunes. The night was great for everyone to get together and spend time. Kylie Kain, a stunning singer from Willunga, with an amazing voice, then took to the stage.

While all this is going on, Sarah Colaco from The Goodness Goddess was busy in the kitchen organising and cooking tea for everyone to eat. Outside in the Tipi, David Breach was performing Kirtan. That was a beautiful place to go when you needed rest. Steve Ashley played his guitar, followed then by Three Humped Camel. Guitarist Jeff McDonald, had organised all the sound for the night along with John McMahon. Lots of busy people all helping out.

Then 8pm, Power out!! It was Earth Hour. Candles were lit. The Nobodys began the drumming. The moment was beautiful. A great time was then shared by all. To end the night was, well known Aldinga group, Spirit of Alondray, the band that has it all. They all got the crowd going. Everyone dancing and singing, all just enjoying the time. It all finished beautifully.

I would just like to thank so many people who helped make this happen... Justin at Redheads studios; Jason at The Settlement wines; Pennys Hill wines; The Barn Restaurant; Organix Restaurant; Des at McLaren Vale Health foods; Lesley at Office and Image; Willunga General Store; Mountain Fresh juice; George Konidis at Fleurieu Olives; Sarah Colaco, Jeff McDonald, Jeff Allen, Kylie Kain, Dave Clark, Kim Thomson and to all the wineries in McLaren Vale that helped with wine. Also to all those not mentioned, thankyou so much... it was all worth it. We raised over two thousand dollars, which will be given to the families who lost everything in the fires...

Thankyou.

**Your Feedback...**

**Jenny writes...** "My relatives and I have been using the accommodation listings on the Visitors Directory. Accommodation has been in short supply last weekend, so I have seen a few of the ones my brother and sister have had to swap around with. ...they highly recommend Hawthorne in Willunga. Willunga Sunsets has a most amazing view and the Peacock Farm is quite eccentric. I had no idea Willunga was such a popular spot for travellers. My siblings love it here."

**Paul writes...** "Last night about 3am, I picked up the March 2008 edition of "InaNutshell", while doing a tidy-up in my place; and had one of those passing thoughts which said: "There's an item of information in here which is important - to me." As it turned out, 20 minutes later, I realized there was A LOT in your little news-blurb which was highly readable - very pertinent to ME. Congratulations on such a fine contribution. I'll certainly peruse it with much more attention from now on. Since moving to Willunga area recently I've picked up "InaNutshell" several times, and always found it 'interesting'. But now I understand why. You've got a regular customer!"

**Thankyou...** to Rob Larkin and Helen Scott for helping with the InaNutshell paperwork and to Rob for taking on the role of managing the InaNutshell advertisements and monies... Thankyou too to the rest of the InaNutshell team who put in their time freely to help get this publication to you... If you want to join in, then give us a call...
